RESIDENT ATHLETE COMPETITIONS

Ivan Yariguin Grand Prix

Jason Nolf (74 kg) and Kyle Snyder (97 kg), along with 16 other American wrestlers, made the trip to Krasnoyarsk, Russia, in late January to compete in the 2022 Ivan Yariguin Grand Prix, one of the toughest tournaments in the world.

Jason went 4-0 with two technical falls, a dominant decision, and a pin over the 2021 Senior World bronze

medalist to reach the finals where he dropped a decision to the 2019 U23 World Champion, Chermen Valiev of Russia.

Kyle went 3-0 with three technical falls to reach the finals. In the gold medal match, Kyle took out 2017 Junior World champion and 2019 U23 World silver medalist Shamil Musaev of Russia with an 8-3 decision. **With his 2017 and 2018 titles at this tournament, the**

victory made him the first U.S. men's freestyle wrestler to win the event three times.

Bout at the Ballpark

In mid-February, **Thomas Gilman** (57 kg), **Jason Nolf** (74 kg), and **Kyle Snyder** (97 kg) competed in the Bout at the Ballpark in Arlington, Texas. This was a dual meet that featured top U.S. wrestlers against an international all-star team.

Thomas defeated Puerto Rico's Darian Cruz (former Lehigh NCAA Champion), 11-0. Jason took out 2021 European bronze medalist Mitch Finesilver of Israel, 11-0. And Kyle scored a 12-0 victory over European Championships silver medalist, Zbigniew Baranowski of Poland.

Dan Kolov-Nikola Petrov International Tourn in Bulgaria

Zain captured a gold medal with a very hard-fought final's victory over 2020 Bulgarian National Champion, Ramazan Ramazanov. Both Josh and Jen earned bronze medals, and Ceron earned a 4th place finish. In the bronze medal match, Josh defeated a tough opponent in a 2021 Junior World silver medalist from India, 10-8.

Yasar Dogu Tournament

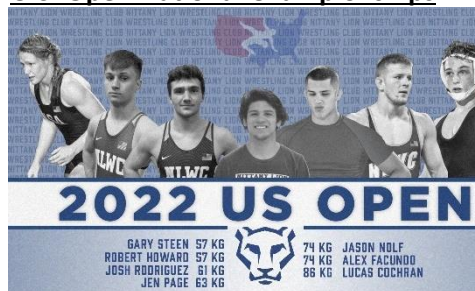

At the Yasar Dogu UWW ranking series event held in Istanbul, Turkey, in late February, **Bekzod Abdurakhmonov** competed at 86 kg (up a weight from his Olympic bronze medal weight class) and won a bronze medal.

Rudis+ Wrestling Event

At this event sponsored by Rudis and held in Detroit the evening before the NCAA Championships, the Club had two wrestlers compete: **Zain Retherford** and **Kyle Snyder**.

Zain dropped a hard-fought decision to World Champion James Green, while Kyle scored two thrilling victories over another outstanding U.S. wrestler in National, World, and Olympic medalist, J'den Cox. The first match was 5-5 criteria while the second match was a controlled 7-1 win.

U.S. Open National Championships

Jennifer Page-Rogers (62 kg), **Josh Rodriguez** (57 kg), and **Jason Nolf** (74 kg) wrestled in the Senior U.S. Open National Championships in Las Vegas in late April.

In women's freestyle, Jenn scored victories of 10-0 and 12-2 before falling short in the gold medal match and finishing with silver.

Josh had victories of 12-1, 10-0, and 5-2 to reach the semifinals where he scored a 9-5 victory over the #1 seed, 2019 World bronze medalist, Tyler Graff. In the finals, Josh came up short in a 3-1 loss to another outstanding wrestler, former PSU star **Nico Megaludis**. Congratulations also to Nico who had a fine tournament.

Jason Nolf dominated his weight class on the way to the gold medal. He didn't allow a point with scores of 10-0, 10-0, 7-0, 10-0, and 11-0!

Pan American Championships

In early May, the NLWC had four wrestlers compete at the Pan American Championships in Acapulco, Mexico.

Thomas Gilman (57 kg) and **Kyle Snyder** (97 kg) dominated their

weight classes on the way to gold medals. **Franklin Gomez** (representing Puerto Rico) earned a silver medal at 74 kg, losing in the finals to U.S. star Kyle Dake. And in women's freestyle, **Jane Valencia** (representing Mexico) also had a fine tournament, earning silver at 57 kg.

COLLEGIATE ATHLETE COMPETITIONS

U20 Freestyle National Championships

Four Penn State collegians competed under the NLWC banner at the U20 Freestyle National Championships in Las Vegas in early May.

Alex Facundo dominated a strong field in the 74 kg weight class to win both a **gold medal and the Outstanding wrestler** award. Alex won the gold with seven straight wins: 11-0, 10-0, 11-0, 14-4, 8-1, 11-0, and 9-0. An outstanding performance!

Robbie Howard (57 kg) also had a fine tournament. After getting wrapped up in a gut wrench and losing his first match, he rattled off an impressive **eight straight victories** for a hard-earned bronze medal.

And not to be forgotten, **Gary Steen** (57 kg) also had a very good tournament with 7 wins and 2 losses to finish in 7th place.

At 86 kg, **Lucas Cochran** had 3 wins and 2 losses and fell short of placing.

Don't Take Success for Granted...Please Continue to Support the NLWC!

All of us enjoy being a part of or playing a role in "something special". Sometimes, this occurs and we don't even know or appreciate it until the time has passed, and it is gone. Other times, it is so obvious that we know even when we are in the midst of it.

For wrestling fans, right now at this particular time, the Penn State Wrestling Program and the Nittany Lion Wrestling Club are that "**something special**". Coach Cael Sanderson and the other Penn State and NLWC Coaches, an outstanding contingent of wrestlers, and an incredibly generous group of supporters have all combined to build a program that is setting a standard for excellence.

There is the obvious success of the NLWC wrestlers on the mat. Less obvious but probably even more important are the lessons learned, the character developed, and the groundwork laid for the future growth and success of amateur wrestling, not just for the NLWC program, but also in the U.S. and the World! The lessons these young athletes are learning are going to help them become successful educators, coaches, and ambassadors of the sport. To quote Coach Cael in a past letter to Club supporters, *Although our goal is to help every athlete win an Olympic gold medal, most will not. However, they will experience the process, the challenge, and the pursuit of being the best in the world. The real value of the NLWC is not the medals won but the opportunity it provides our youth with lessons learned, and the character and strength revealed through the process.*

In any competition and especially so in the sport of wrestling, nothing is given, and past success does not guarantee future success. If anything, it may be easier to get to the top than it is to stay at the top. On that note, it is essential that the Club does not become complacent! The Club's coaches and wrestlers are very aware of this, and instead of relaxing and resting on the laurels of an outstanding 2021 season, they have quickly put that in the rear-view mirror and have focused on the future. In addition to continuing the day-to-day lifestyle and work habits that have created a championship program in the first place, they have continuously looked for areas to improve upon.

At the same time that the wrestlers and coaches have kept their foot on the gas pedal, the Club wants to respectfully ask that all of the Club's supporters do the same. We understand that there are many, many worthwhile causes (some no doubt more important than wrestling) that need and want support. However, for those of you who have been blessed with the means to provide support, are wrestling fans, and whom place a special value on the lessons that wrestling and the pursuit of high goals teaches young athletes, we hope that you will continue to consider the NLWC as a worthwhile cause to support.

Your past support has enabled the Club to develop an Olympic Regional Training Center (RTC) program that enables many of the world's top wrestlers to chase their dreams of Olympic and World Championships, and it has led directly to National, World, & Olympic medals. It has also contributed to the success of the National Championship winning Penn State Wrestling Program. And beyond the on-the-mat success, there are the lessons learned, character and strength developed, and the foundation laid to produce future outstanding competitors and coaches!

To continue providing these opportunities, the Club needs your support! It cannot be done without it!

THE NLWC'S ROKFIN CHANNEL

The NLWC continues to post new content on the Club's Rokfin Channel.

NLWC and Penn State supporters and wrestling fans in general will find this content to be very entertaining and interesting. There are videos of matches, blogs, mini-documentaries, and interviews.

Plus, your subscription to the NLWC Rokfin channel helps support the Club. You can subscribe at <https://rokfin.com/NLWC> for \$9.99 per month.

Wrestling Matches

The individual matches from the Rokfin events that the Club has hosted are **posted on the NLWC Rokfin channel**. Many of these involve the top wrestlers in the world. In addition, there are also many great scholastic matches posted as well.

Blogs

The More Excellent Way, Leadership, and Love Your Enemy are blogs by **Coach Cael**. *The Attitude of Choosing Your Own Way* is a blog by **Zain Retherford**. These inspirational blogs, **posted on the NLWC Rokfin channel**, are helpful both on and off the mat!

Some Blog snapshots:

Coach Cael: *The true value of athletics is not found in winning and losing; that comes and goes. The true value of athletics is found in*

who you become through your experiences.

Winning doesn't bring lasting happiness, gratitude does.

Zain: *...WE ARE ULTIMATELY RESPONSIBLE FOR CHOOSING OUR OWN ATTITUDE! ...get out a piece of paper and write out a list of negative experiences that you care currently enduring...After completing this list, respond to each struggle that you wrote down with the question, "If I met this situation with a positive attitude, what would it look like?"*

Mini-Documentaries

Also posted on the NLWC Rokfin channel are three mini-documentaries.

Part 1 of a 2021 World Championships mini-documentary shot and edited by John Broughton features World and Olympic Champions **Thomas Gilman, David Taylor, and Kyle Snyder**, and NLWC Olympic RTC Coaches **Cody Sanderson, Jake Varner, Casey Cunningham, and Cael Sanderson**.

It follows the athletes and coaches through practice, travel, and training camp as they prepare for the 2021 World Championships in Oslo, Norway. **It is outstanding!** Both entertaining and informative, it provides a behind the scenes look at these wrestlers and coaches as they prepare for the world championships!

The second documentary features **David Taylor** and **Kyle Snyder** and the Olympic RTC Coaches at the 2021 Pan American Championships.

David Taylor Preparing for Competition

The third features **Kyle Snyder** and **Thomas Gilman** along with Olympic RTC Coach **Mark McKnight** at an International tournament at the beginning of an Olympic year. It gives a first-hand look at what it was like to travel and compete in a foreign country in the middle of the Covid pandemic. Thomas, Kyle, Coach McKnight, and U.S. National Freestyle Head Coach **Bill Zadick** graciously allow wrestling fans to look at travel, weight-cutting, pre-competition warm-ups and practices, Covid testing, and their overall preparation.

Interviews

Some snapshots from the most recent interviews posted are below. **Complete interviews can be seen on the NLWC Rokfin channel.**

Nick Lee

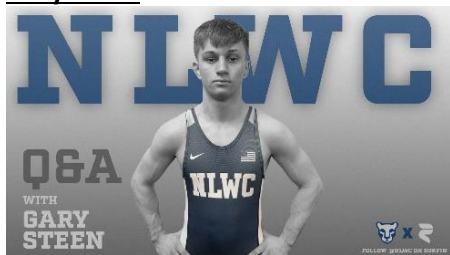

What was your first great move, starting wrestling?

Fireman's carries were my go-to move.

Are you Team Varner or Team Cunningham in dodgeball?

I am team "stop the cheating"

Gary Steen

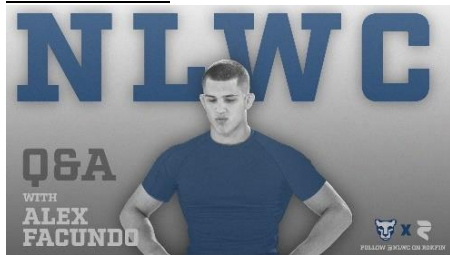

What is your greatest video game accomplishment?

Carrying Shayne Van Ness and Paul Feite to an Apex legends Win

Brag about a teammate and something kind you have seen them do.

Right after nationals, Aaron Brooks and Greg Kerkvliet had just walked out of the arena and sat on the sidewalk and prayed with a homeless man and gave him some money.

Alex Facundo

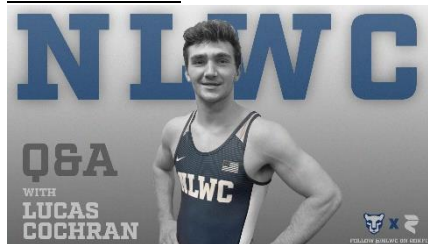

Why did you choose Penn State?

I chose Penn State because of their accomplishments that they have achieved and the coaching staff. They have the best coaches in the

nation and the world. One big factor that helped make my decision was that I haven't seen a wrestler enter this room and not improve.

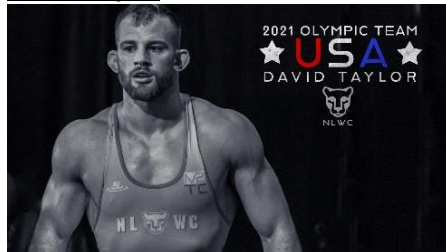

Lucas Cochran

What is the biggest fish you ever caught?

I caught a yellowfin tuna in Hawaii about the size of Coach Cody.

David Taylor

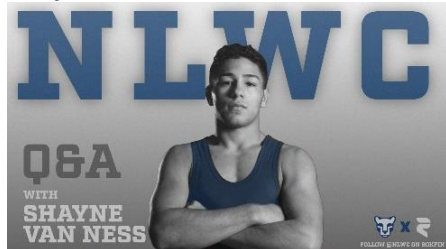

What is your favorite strength and conditioning exercise?

I think for wrestlers the best strength and conditioning exercises are stance and motion and pull-ups. They both directly correlate to wrestling situations and endurance.

Brag about a teammate and something you have seen them do.

I continued to feed Kyle Snyder the rock as he knocked down every shot in our sweep over Coach Cael, Coach Varner, and Brad "the Urban Swirl" Harper.

Shayne Van Ness

What is your favorite quote?

My favorite quote is "The Man In The Arena" by Theodore Roosevelt. This is a quote about how it takes a

massive amount of courage to go out in front of a crowd and compete. It reminds me that the opinions of the spectators, rankings, and things of that nature do not matter and helps me to go out and compete freely.

What is your favorite pet?

My favorite pets are my two bearded dragons. I have always been a fan of reptiles, so I knew I wanted one. Snakes are my favorite, but my mother said I was not allowed to have a snake in the house, so we settled on a lizard.

The NLWC is Transitioning to a New Logo

The NLWC would like to thank the **Pozniak family** for permitting the Club to use the Pozniak logo for many, many years. The Pozniak logo became a visible symbol of the Nittany Lion Wrestling Club and the Club's growth. Thank you!

The transition to a new logo that the NLWC owns gives the Club more freedom with the **plan being to eventually start selling some NLWC gear with the new logo!** The Club hopes to post information about clothing sales on the website (www.nittanylionwrestlingclub.com) next fall.

When you see the logo below being displayed, it represents the Nittany Lion Wrestling Club!

SCHOLASTIC PROGRAMS, CLINICS OF CHAMPIONS, AND ANNUAL YOUTH TOURNAMENT

Unfortunately, due to the Covid Pandemic and Penn State protocols, the Nittany Lion Wrestling Club made the decision to cancel the 2021-22 fall and winter Fitness & Balance, Youth Rec, and Breakfast Club Programs and to cancel the annual late winter scholastic tournament and clinics. The scholastic programs and the tournament and clinics have been a big part of the Club for many, many years, and we look forward to running them again as soon as possible.

Decisions on the Club's 2022-23 Scholastic Programs, Tournaments, and Clinics will be made at the time of each individual program or event. Scheduling updates will be provided on the Club's website or by email.

2022 Golf Tournament Sponsor Information

The Nittany Lion Wrestling Club invites you to participate as a sponsor for the **NLWC Golf Classic** on **Friday, September 16, 2022** at the **Toftrees Golf Resort** in State College, PA. The **Toftrees Golf Resort** is a **4.5-star 18-Hole Championship Golf Course** and is considered to be the premier golf course in Central PA! It is located at One County Club Lane, State College, PA 16803 and is accessed from the Toftrees Exit 71 off of Route 220/I-99.

The NLWC golf tournament has been one of the Club's primary fund-raising activities for the past 28 years, and we greatly appreciate your support! Participation in the tournament also provides the opportunity to spend a fun day with NLWC wrestlers, coaches, friends, and fans of wrestling.

As a 2022 NLWC Golf Classic sponsor, you will enjoy many benefits, including complimentary golfer registration(s) based on the level of sponsorship you choose. As a complimentary golfer(s), you will play in a 4-person scramble where each player must contribute 2 drives (par 3 holes excluded). Golfers who are 65 or older and have a handicap of 10 or higher will be permitted to hit from the gold tees. You can choose to register your own team or let our committee pair you with other golfers or the Club's Resident Athletes. If you wish to add golfers to your team in addition to those which are complimentary, the tournament registration fee is \$200/golfer. The fee includes: cart, greens fees, BBQ lunch buffet, breakfast or afternoon snack (depending upon tee times) shirt, contest, and team prizes!

For this year's tournament, **each group (foursome) will start at their own individual tee time with tee times ranging from 7:30 a.m. until 2:00 p.m.** with a new group starting every 10 minutes. Thus, group 1 will start at 7:30 a.m., group 2 at 7:40 a.m., group 3 at 7:50 a.m., etc. until 2:00 p.m. We will do our best to accommodate tee time requests with preferences being given by order of registration. A BBQ Lunch will be served in a tent from 10:30 a.m. until 2:30 p.m. This will give golfers who have morning tee times a chance to sit down, eat, and socialize with other golfers and wrestlers after they finish their round, and for those in the afternoon to do the same thing before they start their round of golf. In addition, NLWC wrestlers and coaches will be out on the course so that golfers get a chance to see and talk with them.

ALL NEW THIS YEAR: NLWC Olympic RTC practice on Thursday (Sept. 15) at 3:00 p.m. and Friday at 9:00 a.m. will be open to tournament sponsors and golfers. If you're golfing on Friday morning, please come early and see practice Thursday afternoon, or if your tee time is Friday afternoon, you're welcome to attend Friday morning's practice. This is a great opportunity to see the NLWC coaches and wrestlers and watch some wrestling action. *Or get those old wrestling sneakers out of the closet and come in to do a little grappling to help loosen up for the golf tournament:)*

We hope that you will consider sponsoring the 2022 NLWC Golf Classic as a way of supporting the NLWC. Your sponsorship is tax deductible, and it goes toward a great cause. If you have any questions, please do not hesitate to contact me.

Yours in wrestling, Dave Hart, NLWC Golf Classic Director, davehartnlwc@gmail.com

2022 Golf Tournament Player Registration Form

The Nittany Lion Wrestling Club (NLWC) invites you to participate in the **NLWC Golf Classic** on **Friday, September 16, 2022** at the **Toftrees Golf Resort** in State College, PA. The **Toftrees Golf Resort** is a **4.5-star 18-Hole Championship Golf Course** and is considered to be the premier golf course in Central PA! It is located at One Country Club Lane, State College, PA 16803 and is accessed from the Toftrees Exit 71 off of Route 220/I-99.

The NLWC Golf Classic has been one of the primary fundraising activities for the NLWC for the past 28 years, and we greatly appreciate your support. Proceeds from the NLWC Golf Classic go towards the NLWC Resident Athlete Program. In addition, participants have the opportunity to spend a fun day with NLWC wrestlers, coaches, friends, and fans of wrestling.

For this year's tournament, **each group (foursome) will start at their own individual tee time with tee times ranging from 7:30 a.m. until 2:00 p.m.** with a new group starting every 10 minutes. Thus, group 1 will start at 7:30 a.m., group 2 at 7:40 a.m., group 3 at 7:50 a.m., etc. until 2:00 p.m. We will do our best to accommodate tee time requests with preferences being given by order of registration. A BBQ Lunch will be served in a tent from 10:30 a.m. until 2:30 p.m. This will give golfers who have morning tee times a chance to sit down, eat, and socialize with other golfers and wrestlers after they finish their round, and for those in the afternoon to do the same thing before they start their round of golf. In addition, NLWC wrestlers and coaches will be out on the course so that golfers get a chance to see and talk with them.

ALL NEW THIS YEAR: NLWC Olympic RTC practice on Thursday (Sept. 15) at 3:00 p.m. and Friday at 9:00 a.m. will be open to tournament sponsors and golfers. If you're golfing on Friday morning, please come early and see practice Thursday afternoon, or if your tee time is Friday afternoon, you're welcome to attend Friday morning's practice. This is a great opportunity to see the NLWC coaches and wrestlers and watch some wrestling action. *Or get those old wrestling sneakers out of the closet and come in to do a little grappling to help loosen up for the golf tournament:)*

Each player must contribute 2 drives (par 3 holes excluded). Golfers who are 65 or older and have a handicap of 10 or higher will be permitted to hit from the gold tees. Mulligans will be available for purchase on the day of the tournament. The maximum number of mulligans for each player is 4. Please refer to the following *Rules for Each Player*: (1) Maximum of 1 mulligan per player per hole (2) No skill or hole-in-one prizes can be won with a mulligan, and (3) Maximum of 2 mulligans on the front nine and 2 mulligans on the back nine.

The registration fee is \$200 per golfer and includes: cart, greens fees, BBQ lunch, breakfast or afternoon snack (depending upon tee times), shirt, contest, and team prizes!

To register, please go to www.nittanylionwrestlingclub.com and complete your registration on-line or mail the registration form below. You can choose to register your own team or let our committee pair you with other golfers.

Sponsorship opportunities are also available. For sponsorship opportunities, please contact Dave Hart at (814) 574-7799 or at davehartnlwc@gmail.com, or you can also visit www.nittanylionwrestlingclub.com and complete a sponsorship form on-line.

ABOUT THE NLWC

The NLWC's mission is to promote and provide education about amateur wrestling. We strive to be the premier wrestling club in the United States, the "go-to location" where the nation's top wrestlers train to become National, World, and Olympic Champions. In addition to providing some programs for scholastic wrestlers, the NLWC runs a USA Wrestling Olympic Regional Training Center where many of the U.S.'s top senior level, collegiate, and high school athletes train. The Club's outstanding Olympic Regional Training Center coaching staff is comprised of Cael Sanderson, Cody Sanderson, Casey Cunningham, Jake Varner, Mark McKnight, and Jimmy Kennedy.

The NLWC is a tax-exempt, charitable, educational organization [IRS code Sec 501 (c) (3)].
