## Description

These clinics will be run by the Nittany Lion Wrestling Club before weigh-ins for the State College Wrestling Tournament. The emphasis will be on learning wrestling techniques, plus clinicians will be available for autographs and photos before/clinics. After (not before 2:30 pm) the clinics are over, clinic participants who are also competing in the tournament can take the weigh-in cards they are given at the clinic and immediately walk upstairs to South Gym and weigh-in for the next day's tournament.
